DESTINY RESCUE - 'FIGHTING FOR FREEDOM TOGETHER'

Mission: To rescue children from sexual exploitation and human trafficking and help them stay free.

Pray for:

- overcoming barriers & unleashing opportunities
- healing, and restoration
- Government corruption to end
- God's word to be known and felt through the hands & feet of the locals.

STEVE & MANDI COOK, CAMBODIA

Pray for:

- The new Khmer people coming to church. Please pray that scales would fall off eyes and they would follow Jesus with whole hearts where it's very counter cultural.
- Virak & Aram (local pastor and his wife), Long & Phorn (worship leader & wife), Phaty & Kemlin (Bible study leader and wife). They are beautiful believers that are shunned in their own country for following Jesus.
- Joy and unity as we run the race and fight the good fight.
- Our past foster children. They are struggling with their identity. They succumb to the world's way and not God's way. The younger ones are faithfully coming to church, but they look up to their older siblings and it's sad because drinking is a big issue. It's very hard for Steve and I to love well and not cut ties here in an Asian culture.

ANDY & CATHIE STAUNTON, CAMBODIA

Pray for:

- The feeling of isolation. We are so thankful for the contact from the people at Menai Baptist church.
- Our kids. They are doing well with adjustment to Cambodia, however big changes are coming. Having to move so the kids can attend school. Finding a house has been challenging too.
- Andy and Cathie's elderly parents in Australia.
- Arrow Leadership work that Cathie is doing: Generational trauma from civil war- that healing can be brought through them; Complexity of setting up a new Christian organisation.

ANDERSON'S, NORTHERN TERRITORY, AUSTRALIA

Pray for:

- Thank God for Mat and Shannon's heart for the people of Outback Australia to be empowered and equipped to lead their own faith communities.
- Pray for their children: Beth, Peter, Caleb and Samuel.
- Pray for protection and good health for the whole family as they serve God in remote places.
- Pray for the relationships they are building in their local community of Kalkarindji.
- Pray for the leadership training camps and one-on-one discipleship they engage in as part of their work.
